

Ways You Can Help:

Volunteer:

- **Day Shelter:** we are open 1-4 Tuesday, Wednesday, Thursday, and Saturdays
- **Hard Times Supper:** Dinner served at 6, volunteers from 4-7
- **Building and Grounds:** plenty of painting, sanding, building, moving, watering, and other assorted “chores”. Maybe you can help us in your own time?

Fundraising

We would love to connect with organizations, foundations, and individuals who are interested in supporting our work and our building. We look to undertake a capital campaign that will help us rehab the aged roof on our building, for instance.

Can you help imagine a way to propel our fundraising efforts?

Do you have contacts in the community you'd be willing to share our work with?
